

2005 - Resolutions Committee Report

WHEREAS the faculty and administration of South Dakota State University have impressively implemented the conference theme “Educating and Sustaining Engineers”; and

WHEREAS they have extended generous hospitality to the attending members of the North Midwest Section; and

WHEREAS the 2005 SDSU Annual Meeting Planning Committee, and the speakers, panel members, and presenters of technical papers have combined to achieve the planned goals with a stimulating program for those with a dedication to engineering education; and

WHEREAS the Dean of Engineering has provided encouragement and support; and

WHEREAS the current ASEE North Midwest Section officers have met with appropriate representatives and committees to offer help with matters of mutual concern;

THEREBY contributing to making this 2005 meeting a beneficial, valuable and enjoyable learning experience; THEREFORE

BE IT RESOLVED that all the attendees of this event express their warmest heartfelt thanks to all who were responsible for providing inspiration for our society and of engineering in the North Midwest Section.

Dated this 14th day of October 2005 at Brookings, South Dakota and presented by the Resolutions Committee comprised of Charles Johnson and Verne Cutler.
