

2006 North Midwest Section Conference
University of Wisconsin Stout, Menomonie , WI

Resolutions Committee Report

WHEREAS the faculty and administration of the University of Wisconsin – Stout have successfully implemented the conference themes “The Future of Manufacturing” and “Economic Impact of Engineering Education”; and

WHEREAS they have extended generous hospitality and a warm welcome to the attending members of the North Midwest Section; and

WHEREAS the 2006 UW - Stout Planning Committee, and the speakers, panel members, and presenters of technical papers have combined to achieve the planned goals with a stimulating program for those with a dedication to engineering education; and

WHEREAS the Dean of the College of Technology, Engineering and Management has provided encouragement and support;
and

WHEREAS the current ASEE North Midwest Section officers have met with appropriate representatives and committees to offer help with matters of mutual concern;

THEREBY contributing to making this 2006 meeting a beneficial, enjoyable and valuable learning experience;

THEREFORE

BE IT RESOLVED that all the attendees of this event do express their warmest heartfelt gratitude to all those responsible for providing inspiration for our society and for engineering in the North Midwest Section.

Dated this 6th day of October 2006 at Menomonie, Wisconsin and presented for the Resolutions Committee by Charles Johnson.
