

2011 North Midwest Section Conference

University of Minnesota Duluth

Resolution Committee Report

WHEREAS the faculty and administration of the University of Minnesota Duluth have taken full advantage of their location on the great lake to designate this year's theme "Delivering a Superior Engineering education" which they have fulfilled admirably, and have been most gracious hosts in extending generous hospitality to attending members of the Seventy-third Annual ASEE North Midwest Section Meeting; and

WHEREAS the Section Officers and members of the planning committee for the 2011 annual meeting together with keynote speakers and presenters of technical papers have combined to produce a rewarding and stimulating program centered on the conference theme; and

WHEREAS the presentations on a variety of issues pertaining to improving education provided encouragement for faculty to excel for the benefit of their students and personal satisfaction; and

WHEREAS the current North Midwest Section Officers and the ASEE Zone III Chair have met with members of our Society to answer questions and respond to a variety of concerns thereby helping to make this 2011 meeting a motivating and enjoyable experience; and

WHEREAS the planning committee was influential in providing a good color display and no snow:

THEREFORE be it resolved that all attendees do express their heartfelt appreciation to everyone who was responsible for this inspirational meeting that provides motivation in reaching our goals for engineering in the North Midwest Section.

Dated and presented this 14th day of October, 2011 at Duluth , Minnesota by the Resolutions Committee comprised of Verne Cutler and Charles Johnson.
